APPRENTI TENNESSEE

The NTC Foundation, in partnership with the Greater Nashville Technology Council, has launched Apprenti Tennessee, the first technology-focused apprenticeship program in Tennessee. Apprenti combines paid on-the-job training and education with placement in highly skilled, salary-competitive occupations. The program works with the tech industry to identify mid-tier jobs ready to be filled by highly competent people, regardless of education background. Apprenti also aids in diversifying the tech workforce by actively recruiting women, minorities and veterans. Current program occupations include Network Security, Software Development, Web Development & System Administration.

[Three month education program sponsor \$5,000 | Six month education program sponsor \$12,000]
